# Manager's Recommended Budget

## FY 2016-2017

# MANAGER'S RECOMMENDED BUDGET FISCAL YEAR 2016-2017

May 2, 2016

"A Town in Progress"

#### Office of the Town Manager

May 2, 2016

The Honorable Thomas E. Norman, Jr., Mayor Members of the Board of Commissioners Yadkinville, North Carolina

Mayor Norman and Members of the Board of Commissioners:

Pursuant to Section 159-11 of the North Carolina General Statutes, I am pleased to present the Manager's Recommended Budget for FY 2016-2017 for your review and consideration.

This Recommended Budget provides a financial plan for the ensuing fiscal year and has been developed in accordance with sound fiscal policies. The key components of these directives from the Board of Commissioners and the budgetary principles on which this document is based are:

- Basic town services are continued with funding at adequate levels.
- Sound budgetary principles have been followed in developing this budget.
- Revenue projections are estimated at realistic, conservative levels.
- Expenditure projections are estimated at realistic levels.

The FY 2016-2017 Recommended Budget totals \$4,634,300 for all town operations, capital improvements, and debt service requirements. This represents an overall increase of approximately \$92,905 or 2% from the FY 2015-2016 Adopted Budget of \$4,541,395.

This Budget recommends no increase to the current property tax rate and no increase in the current water and sewer rates. This budget recommends identified changes to the current fee schedule.

#### HIGHLIGHTS OF THE RECOMMENDED BUDGET

- No tax increase recommended
- No increase in water/sewer rates
- 3% COLA for employees recommended
- Capital expenditures and investment in equipment to maintain services
- Use of Fund Balance for Street Improvement Plan

#### FUNDS OF THE RECOMMENDED BUDGET

#### **General Fund**

The General Fund contains all governmental services that do not generate sufficient revenue to support their activities, including the Police Department, Administration, Planning and Zoning, Sanitation, Streets and Highways, Garage, etc.

The FY 2016-2017 Recommended Budget for the General Fund totals \$2,462,700, which represents an approximate increase of 11% over the FY 2015-2016 Adopted Budget of \$2,235,375.

This Recommended Budget proposes to balance the General Fund with an appropriation of Fund Balance in the amount of \$121,617.

#### **Property Tax**

The property tax base is estimated to be \$232,132,862 which represents an incremental increase of approximately 1% over FY 2015-2016 and is realistically based on information from the Yadkin County Tax Administrator.

This increase will provide approximately \$907,198 in property tax revenues based on an assumed collection rate of 93%. A penny on the tax rate is projected to generate approximately \$23,000 in revenue.

#### Solid Waste

This budget proposes to maintain the current solid waste fee at \$10 per month.

#### **Water and Sewer Fund**

The Water and Sewer Fund contains all water production, water distribution, wastewater collection and wastewater treatment activities of the Town. The Water and Sewer Fund also will maintain operations of County owned water and sewer lines on US Hwy 601 and Hoots Road.

The FY 2016-2017 Recommended Budget for the Water and Sewer Fund totals \$2,171,600. This represents a decrease of approximately 6% or \$134,420 from the FY 2015-2016 Adopted Budget of \$2,306,020.

#### **Hinshaw Gardens Fund**

The Hinshaw Gardens Fund manages interest earned from a \$100,000 donation from Lucy Crater in 1980. The interest earned from the donation is used for maintenance of Hinshaw Gardens on West Main Street. These funds are transferred to the General Fund and appropriated to the Hinshaw Gardens budget.

As interest rates remain depressed, \$4,978 of the Garden's fund balance is necessary to ensure there is funding to pay for maintenance costs. The FY 2016-2017 Recommended Budget for the Hinshaw Gardens Fund totals \$5,378 which includes \$100 estimated from investment earnings; \$300 estimated from rental fees and \$4,978 from Fund Balance Appropriated.

#### SOURCES OF REVENUE

#### Ad Valorem Tax (Property Tax)

Two characteristics of the property tax distinguish it from other forms of taxation and underlie the methods of determining tax liability and enforcing collection. The first characteristic is that the property tax is levied

on property itself, not the owner. The second is that the tax is measured by the value of the property as a marketable item, not by the owner's ability to pay. Thus, it is often called an "ad valorem" tax, from the Latin phrase meaning "according to value".

In North Carolina, property tax rates are customarily expressed in dollars per \$100 of assessed valuation. The maximum property tax rate allowed in North Carolina is \$1.50 per \$100 of assessed value. This year's proposed property tax rate for Yadkinville is \$0.42 per \$100 of valuation. This means that for every \$100 in value of property, \$0.42 is due. On a \$150,000 home the total annual Town of Yadkinville property taxes due would be \$630. Total Ad Valorem tax revenues (including prior year collections) are projected to be \$974,958 in FY 2016-2017. In North Carolina, this is the only significant source of revenue that the State allows local governments to control. This is strictly General Fund revenue.

The Manager's Recommended Budget proposes to maintain the current tax rate at \$0.42 per \$100 valuation.

#### **Vehicle Tax**

Vehicle tax is one type of personal property which is subject to the same levy rate as real property, which is proposed at \$0.42 per \$100 of valuation. The projected vehicle tax revenue for FY 2016-2017 is \$83,700.

#### **Motor Vehicle License Tax**

In North Carolina, Municipalities may levy a general motor vehicle tax of up to \$30.00 per year on any vehicle resident in the municipality. This proposed budget will include a vehicle tax levied at \$5.00 per vehicle per year. The estimated revenue from motor vehicle license tax is to be approximately \$12,000.

#### **Sales Taxes**

Two cents of the 6.75% sales tax imposed on qualifying purchases in North Carolina goes to cities and counties. The State of North Carolina collects the sales taxes and distributes them to the local units. Sales tax revenues are projected to be \$340,000 in FY 2016-2017, which is a 3.5% increase from FY 2015-2016. This is a conservative estimate based on North Carolina League of Municipalities estimates. This is strictly General Fund revenue.

#### **Sales and Services**

One of the Town's major sources of revenue is from the sale of water and sewer to residents, businesses and to Yadkin County water and sewer line customers. This will provide approximately \$2,099,000 in revenue. This, along with interest earned on investments and other minor revenue sources pays for all water and sewer operations. This makes the Water and Sewer Fund completely self-supporting.

#### **Transfers**

The proposed FY 2016-2017 budget proposes a transfer from the General Fund Balance in the amount of \$121,617 to balance the budget. The Budget proposes no transfer from the Water/Sewer Fund Balance to balance the budget.

#### **Beer and Wine Tax and ABC Store Revenue**

Revenues from the sale of beer and wine are distributed by the State of North Carolina and are based on the estimated population of the Town. This year's revenue from the beer and wine tax is estimated to be \$15,750.

Revenues generated from Yadkinville's ABC Store are based on the profit generated at that store, which is expected to be approximately \$80,000 for FY 2016-2017. The revenue generated from these sources is estimated to equal nearly 4 cents on the tax rate.

#### **State-Collected Local Taxes**

These include: Electricity Franchise Tax, Piped Natural Gas Excise Tax, and Telecommunications Sales Tax.

The General Assembly, in 1998, replaced the utility franchise tax on piped natural gas with an excise tax on piped natural gas. In 2001 the General Assembly replaced the utility franchise tax on local telephone service with a new sales tax on telecommunications.

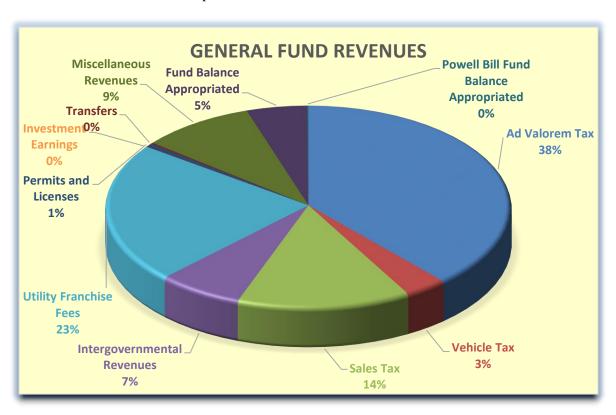

These funds are collected by the State and are distributed to the City based on the actual receipts from the providers of these services and commodities within the City limits. This revenue source is expected to be approximately \$599,500 for FY 2016-2017. These are strictly General Fund revenues.

#### **Solid Waste Fee**

This Budget maintains a \$10.00 per month solid waste fee with an estimated revenue of \$110,000 for Solid Waste services to maintain providing weekly household garbage collection and recycling services to Town residents.

#### **Powell Bill Street Allocation**

The use of these funds is restricted to maintaining, repairing, constructing, reconstructing or widening any public street or thoroughfare within the City limits that is not State-maintained. Bridges, drainage, curb and gutter, sidewalks and other necessary appurtenances are also approved uses of these funds. The determination of the amount of the allocation comes from a formula containing a municipality's local street miles and population. To receive funds, each municipality must file an annual certified map and an annual expenditure report. In the end, only \$0.175 of the gasoline tax collected by the State is distributed to cities and towns. This revenue is estimated to be \$89,000 for FY 2016-2017. This is strictly General Fund revenue and only to be used for Powell Bill related expenditures.

#### EXPENDITURES IN PERSONNEL AND RELATED COSTS

Several challenges have presented themselves in the upcoming budget year. Legislation on the state's unemployment system requires local governments to maintain a reserve equaling 1% of unemployment insurance of taxable income. Additionally, the Town is anticipating an increase of 15% in healthcare insurance and a 10% increase in property liability insurance for FY2016-2017. The Town is requesting a 3% COLA adjustment across the board for full-time employees.

#### **EXPENDITURES BY FUNCTION**

The following chart illustrates expenditures as assigned by function.

#### RECOMMENDED BUDGET

This proposed budget is balanced in accordance with State statutes and attempts to address the goals and priorities that have been set by the Town Board for the Town's future. The budget is fiscally sound, and although it does not fund all the requests made by departments, it does address the top priority needs of the Town and is set at a level to maintain service levels to citizens.

I would like to extend my appreciation to Finance Officer Dina Reavis for her assistance and hard work, and also for the assistance of the Town Clerk Shelia Weathers.

This budget for FY 2016-2017 is recommended for approval by the Town Board of Commissioners.

Sincerely,

Perry L. Williams Town Manager

## **HINSHAW GARDENS**

The Hinshaw Gardens Fund accounts for all financial resources in this fund. Revenues from interest earned from the original \$100,000 donation from Lucy Crater are transferred to the General Fund to pay for maintenance of that fund. In this year's budget--as interest rates have continued to drastically decline--it has become necessary to dedicate rental fee revenue towards maintaining the Gardens.
